Spring - Summer 2019

Make a Quilt - Make a Memory

Spring has Sprung (finally)! We have lovely flowers poking their heads out of the ground, robins are fluttering everywhere and trees are beginning to bud. We made it through the winter and I am sure everyone is looking forward to the wonderful Spring and Summer days ahead.

The Calico Shoppe is also bursting with wonderful colors of the season from Sweet Violets, to A Day in Paris, A Stitch in Time and Farm Girl Vintage along with Farm Girl Vintage Companion prints to name just a few of our new collections. I can't forget to mention, we also have the new Wisconsin State Shop Hop fabric line by Lisa Bongean of Primitive Gatherings. Lisa has done a wonderful job designing this line of fabric for the hop. For all of our out-of-town customers the fabric is available starting June 7th in our on line store along with some prior years' fabric.

We also have new books and patterns to get everyone's creative juices flowing!

Stop in soon to see all that is new and exciting at The Calico Shoppe!
